

Permits are required to legally discharge fireworks in Bixby

Commercial fireworks for residential or consumer use, or Class 1.4G fireworks, may only be legally discharged within the city limits of Bixby by homeowners with a fireworks permit. The permits will allow legal discharge of fireworks on July 3rd & 4th only, between the hours of 3:00 p.m. – 11:00 pm only. The fine for discharging fireworks within the Bixby city limits without a permit is \$350.00 per occurrence.

Permits are available now through July 2nd, and may be purchased for \$20.00 at City Hall between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday. Please note, City Hall, located at 116 W. Needles, will be closed on Friday July 3rd in observance of the holiday.

City of Bixby First Responders request the public's help in ensuring all roadways are clear in the event we need to respond to any emergencies. Please keep permits visible and accessible for police and fire officials. We try to ensure everyone has a permit and has been briefed on the safety requirements so that everyone may enjoy a great Fourth of July.

More information on fireworks can be found in the FAQ section of www.bixbyok.gov under the "Fire Department" section.
