

DEAR BIXBY RESIDENTS! HELP SHAPE BIXBY'S FUTURE

The City of Bixby is currently updating its Comprehensive Plan, which sets the community's vision for the next 10 years and beyond.

This Comprehensive Plan guides all aspects for the city such as growth, redevelopment, economic development, city services, parks and open space, health and safety, public facilities and more.

Bixby residents have an incredible opportunity to impact the future of their city. Take advantage of this opportunity to share your thoughts, express your goals, and provide feedback to help Bixby reach its full potential.

Get Involved!

The City will be holding the first community workshop to gather input from Bixby citizens regarding this great place you call home. By attending this workshop you can learn more about the process, communicate your ideas and help shape Bixby's future goals as we look to grow together over the coming decade.

WORKSHOP DETAILS:

Date: Tuesday, June 13, 2017
Time: 6:00 pm
Location: City Council Chambers
116 W. Needles
Bixby, OK
