### How does Bixby's past and present shape its future?

Join us for our second workshop on the City of Bixby's Comprehensive Plan update. The first Community Workshop was held on Tuesday, June 13, 2017 and was attended by nearly 70 people.

### Workshop #1 covered:

- An overview of the Comprehensive Plan and process;
- Community input on a Vision Statement for the Comprehensive Plan; and
- Community input on issues and opportunities that will help shape Bixby's future.

In our second workshop we will review the results of the community input to date and also review Bixby's current conditions and trends that will help shape our future.
