Mayor Guthrie said item #1 on the Work Session agenda is:

Discuss ambulatory study conducted by Bixby Fire Department

Presented by: Joey Wiedel

City Manager Jared Cottle stated that he wanted to introduced on where we are headed and I wanted to you to see this information because we have two things in play, first we are entering into our collective bargaining agreement cycle and looking into the future, and second is our bond issue and if we head down this path we are going to need additional space, Jared stated that this sets the stage financially for the future.

Fire Chief Joey Wiedel stated that at our last council retreat that kept coming up was when are we going to figure out something regarding Emergency Medical Service Authority and during that time we did some research and thought process and came up with ambulance being the Number 2 project out of 30 projects in the city. Joey stated that this is why we are here and since then we have been working some numbers dealing

with Emergency Medical Service Authority and what would it take to get us the kind of service we want and need. Joey gave council handouts regarding options related to the subject matter and giving details on revenues, expenses, and Bixby Demographics.
