131st Street Sheridan to Memorial Street Renovation

Bixby, OK. April 5th, 2019 – A street rehabilitation project is currently underway on 131st from Sheridan to Memorial in Bixby. The 2016 Bond Project will improve local drainage and increase drivability. The east bound lane of 131st Street from Sheridan Road to the east side of the Fry Creek Bridge closed on March 15th for roadway reconstruction. The westbound lane remains open. The contractor's schedule stipulates work will be completed within 120 days West of Fry Ditch Creek and 115 days East of Fry Ditch Creek. At this time crews are working on the South side of 131st, and will then switch to the North side. If there is an alternate route, drivers are encouraged to utilize it. There is no eastbound access to Memorial drive. For the duration of the project, the portion of the open roadway should only be traveled by residents in the area. The Bixby Police Department will continue to enforce traffic laws in this area. Violators will be issued citations.
